III. Project Summary:

Due to complexities of water rights law in Colorado, Utah, and Wyoming, and the work involved in conducting water rights analyses, the Water Rights Acquisition Committee (WAC) retained the services of Water Rights Specialists to conduct water rights evaluations. The Specialists are available to the Recovery Program on an as-needed basis to perform work on individual water rights issues. Cost and performance deadlines are negotiated on a case-by-case basis. No work was needed in FY 2010.
